On the 24th and 25th of September 2016 for the second time on the Canary Islands, Tenerife Top Training will host the "CANARIAS GONE BAD Throwdown", which brings together International Crossfit Athletes to compete for prize money in total of 5000€.

Canarias Gone Bad is a concept formed by CrossFit Survive & Tenerife Top Training. All have been involved in the sport of fitness from the very beginning and so the idea was to create the reference competition on the Canary Islands.

The event venue Tenerife Top Training is one of the most modern training centers in the world and is the home of CrossFit Survive Top Training! The setting and location on the south shore of Tenerife, venue size and professionalism of the training centre and the box are outstanding!

This year's edition will be divided into different categories.
The unique two days competition will be run in teams of two.
