## DESCRIPTION

We invite you to the International Summer Kids & Youth Swim Camp on Tenerife with the Swedish Olympia coach and world champion, Glen Christiansen. The camp is open for swimmers between 8 and 18 years who will be divided into different groups, based on their experience, performance and age. Glen Christiansen is assisted by several skilled coaches to ensure every kid gets assistance, advice and personal feedback.

The camp's main focus lies on the technique of the different swimming strokes, endurance, speed, starts, and turns. Each day they will do land-based training, and every kid will have the possibility to make a session in the flume channel to analyze their swimming techniques.
